NSK 24

Providing excellent protection from a wide array of solvents, oils and acids, SHOWA NSK24 is a super flexible, watertight, knit-lined nitrile glove.

BENEFITS

Double nitrile coating provides excellent chemical, oil and abrasion resistance

Nitrile protects the hand from oils, hydrocarbons and grease penetration

Cotton/polyester liner absorbs perspiration and adds comfort

Protects the hand and the arm, as well as providing comfort and touch sensitivity

The rough textured finish ensures excellent grip

Impermeable for working in damp or greasy environments

No latex allergy risks

EU Food safe approved
