

707FL

Combining durable chemical resistance with the feel of a disposable nitrile, SHOWA 707FL is the rugged counterpart of the SHOWA 707. Constructed with a comfortable flock lining, this mid-forearm gauntlet provides an equal degree of protection and performance.

BENEFITS

A thin, light glove with a "second skin" feel
Protects the hand from oils, hydrocarbons, grease and abrasion, with effective long lasting grip

Impermeable for working in damp or greasy environments

Retains tactility

Approved for food use
