

# FiberTuf™

## 76501

Light mechanical protection and good grip for dry applications.

Multi Purpose

Light Duty

## Hand protection gloves with grip, offering light mechanical protection in dry applications

- **Specialized protection:** FiberTuf 76-501 industrial safety gloves are made with polyester fiber that offer light mechanical protection when used during dry application
- **Enhanced grip:** These industrial gloves feature PVC dots along the palm side that provide excellent grip for better handling of objects
- **Enhanced features:** The knitted wrist cuff design of these industrial working gloves ensure wearers fast and easy donning of gloves

### Industries

- Construction
- Transportation
- Automotive
- Machinery and Equipment
- Logistics
- Metal fabrication

### Applications

- Inspection (picking, checking and marking)
- Packaging
- Light assembly tasks
- General handling
- Assembly of parts
- Assembly of white goods

# FiberTuf™

## 76501

Light mechanical protection and good grip for dry applications.
