Powerful eyewear for today's  
demanding work environments.**

# Premium Eyewear for today's demanding work environments

## Premier Performance

- Provides protection against impact, sun, wind, dust and airborne debris. Ideal for dirty, high-particulate work environments such as grinding, chipping, shaving and sanding.
- Available with Dura-streme™ dual coating technology which combines our two best lens coatings
  - anti-fog on the interior and anti-scratch on the exterior
  - for 3x longer lens life\*.

\* Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.

## Premier Comfort & Fit

- Soft and flexible nose piece conforms to a variety of facial profiles and minimises slippage.
- Soft, high-quality face cushioning and padded temple tips offer all-day comfort.
- Highly adjustable flame-resistant headband provides excellent fit.

**Clear** - ideal for most indoor work applications

**HDL Yellow** - ideal for low-light applications where enhanced contrast is needed

**Grey** - minimises strong outdoor sunlight and glare

Flexible design can be used with temple or headband (both included).

- Premier comfort and seal with high-quality face cushioning, flexible nose piece and adjustable headband.
- Exceptional peripheral vision and coverage with wrap-around 8-base dual-lens style.
- Durable performance with minimised fogging thanks to top and bottom indirect ventilation and Dura-streme dual anti-fog/anti-scratch coating.
