

GP-KV1

BENEFITS

- A flexible easy-maintenance glove providing effective protection against cuts and with very good durability.
- Protects the hand in damp environments or against aggressive detergents or alcohols
- Breathable back of hand to reduce perspiration
- Surface provides tactile feel and better grip
- Greater hygiene
- Designed for easy movement and continuous wear
- No irritation by seams in contact with the skin

FEATURES

To the companies specialized into the fabrication or the handling of all kinds of glass: we highly recommend to conduct a compatibility test on the chemically or electronically treated glass in order to see whether the latex coating is appropriate for direct contact with the surface of the glass.

- Coated palm
- Elasticated cuff
- Rough finish over entire surface
- Antibacterial and anti-odour treatment
- Kevlar fibre
- Anatomical shape
- Seamless knit

LINER:

Kevlar
